

commercial spaces

simplehuman

tools for **efficient** living →

Large capacity and durability in tough, high-traffic environments make our **commercial cans** the ideal choice for hotel lobbies, restaurants, coffee shops or banquet rooms.

durable and dent-resistant

Thick, heavy-gauge steel construction ensures that this can will last in high-traffic, busy commercial environments.

quick, easy liner change

Lid lifts up to make liner changes faster and more convenient. It also hides the liner so the can always looks neat and tidy.

open cans

A great solution for busy, high-traffic commercial areas, our open cans are always open so it's easy to toss trash on the go. And the large capacity holds more with less frequent bag changes.

Plus they come in various sizes, shapes and colors to fit any space or decor.

round open bullet cans

wide, wider, widest

The wide openings of our bullet cans make it easy to throw away large containers and other bulky items.

match your decor

All our commercial open cans are available in a variety of stainless steel finishes such as rose gold and dark bronze.

semi-round open cans

The semi-round shape has a flat back for placement against the wall and out of the way. Available as a single compartment or a dual-compartment model for recycling.

slim open cans

The narrow space-efficient shape is designed for tight spaces.

label it!

Durable magnetic labels make sorting trash and other materials quick and easy. Available labels: trash, mixed recycling, aluminum, plastics, paper, glass, compost and biohazard.

swing lid cans

Center-weighted swing lid opens easily and then gently swings back into place.

small cans

Perfect for the office, two compartments in one convenient can is a neat, modern, eco-friendly solution for daily recycling.

open cans

Our largest bullet open can makes it easy to scrape food off trays or toss in large items like pizza boxes. The heavy-gauge stainless steel construction, lift-off lid, and extra-large capacity make it an ideal choice for high-traffic commercial spaces such as hotel lobbies, restaurants, and commissaries. ADA-compliant.

small cans

Perfect for hotel rooms or offices, our dual compartment slim open can has two inner buckets and a space-efficient shape that make it easy to separate your daily amount of trash and recyclables in one place. Sturdy stainless steel construction and durable plastic buckets will ensure this can lasts a long time even in tough environments. ADA-compliant.
